

NCA Regional Finals

The NCA has 7 regions and sponsors Regional Finals in each.

- Regional Finals should be held as late in the qualifying year as is practical.
- Competitors must qualify by earning NCA points in trials held within the region.
 - Qualifying year is different for each region and is the 12 month period preceding the Regional Final.
- Nursery dogs must be eligible to compete in the **upcoming** NCA National Finals in order to be eligible for the Regional Finals.
- Regional Finals may be held in conjunction with another trial.
 - If held in conjunction with another trial, NCA points earned at that trial will count only toward the **following** year's Regional Final.
- If the trial is solely a regional Final, the name of the trial should be:

NCA (name of region) (year) Regional Finals.
- NCA will provide buckles for all classes (Open, Nursery, Intermediate, Open Horseback and Intermediate Horseback).
 - Not all classes must be offered.
 - Trial hosts may award such monetary and other prizes as they deem appropriate.
- Trial hosts may charge appropriate entry fees.
 - There are no NCA sanctioning fees for Regional Finals.
- Trial hosts interested in holding a Regional Finals must submit an application to the NCA office before June 1.
 - The NCA Board of Directors will approve all applications and select sites when there are multiple applicants from a single region.
 - Whenever possible, please fill out application on a computer
