

1. Horseback is a stand alone class. It is the only NCA sanctioned class where Horseback points can be earned.
2. Any handler of any level may compete in the Horseback class, without affecting their eligibility in any other NCA sanctioned class.
3. Any dog of any age may compete in the Horseback class.
4. Points are awarded to the dog, regardless of handler. A dog may be run in the Horseback class at different trials by different handlers.
5. If a trial co-sanctioned with Rodear America (RA), only the RA Open class will count for NCA Horseback points.
6. If a trial is co-sanctioned with American Ranch Dog Trials (ARDT), only the ARDT Advanced class will count for NCA Horseback points.
